

The Frederick County Music
Teachers Association
is sponsoring a

Halloween Recital

The goals of this activity are designed to provide and encourage:

- a non-competitive performance opportunity for our students
- an opportunity for students to practice their listening skills
- participation with the presentation of a Certificate of Performance
- parents with an opportunity to share their child's growing skill in musical performance with family and friends in a friendly and positive setting
- the opportunity for students to hear music performed by their peers from throughout Frederick County, beyond the immediate studio to which they belong
- incentive for practice and continued music study
